

Modern Genome-Based Vaccine Design

Sponsored by

Venue:

Pacifico Yokohama

2F Room 211/212

Friday November 16th

9:00 am – 5:00 pm

1-1-1, Minato Mirai, Nishi-ku, Yokohama, Japan

Speakers:

Dr. Hiroshi Kiyono M.D.

Professor and Dean, Institute of Medical Science,
University of Tokyo

Dr. Anne De Groot M.D.

Professor and Director, Institute of Immunology and Informatics,
University of Rhode Island
CEO/CSO, EpiVax

Dr. Niranjan Sardesai, Ph.D.

COO
Inovio Pharmaceuticals

Dr. Qibin Leng Ph.D.

Professor, Shanghai Institute of Biological Sciences
Pasteur Institute, Shanghai

Dr. Eric Gowens, Ph.D.

NHMRC Senior Research Fellow
University of Adelaide

Dr. Kenya Honda M.D.

Associate Professor, Department of Immunology
University of Tokyo

Ms. Frances Terry

Bioinformatics Program Manager
EpiVax, Inc.

Conference Agenda

Modern Genome-Based Vaccine Design November 16, 2012		
Time	Presenter	Topic
9:30	Dr. Hiroshi Kiyono , M.D. Professor, University of Tokyo	Introduction & Welcome
9:45	Dr. Annie De DeGroot, M.D. Professor, URI and CEO, EpiVax	From Concept to Clinic: Epitope-driven Vaccine Development
10:30 <i>Break</i>		
11:30	Dr. Qibin Leng, Ph.D. Professor, Shanghai Institute of Biological Sciences Pasteur Institute, Shanghai	Case Studies: Cross-conserved Epitopes Between HFMD (EV71) and Other Enteroviruses Such as Polio
12:00	Dr. Eric Gowans NHMRC Senior Research Fellow University of Adelaide	Therapeutic HCV Vaccines Based on Dendritic Cell Delivery
12:35	Dr. Kenya Honda, M.D. Associate Professor University of Tokyo	Internal Influence: Interactions Between the Human Microbiome, Autoimmunity and Allergy
13:15 <i>Lunch (Bento Box Provided)</i>		
14:00	Dr. Annie De DeGroot, M.D. Professor, URI and CEO, EpiVax	Case Studies: Epitope Mapping, Vaccine Design, Vaccine Efficacy Analysis, and Immunotherapy
14:20	Ms. Frances Terry, Bioinformatics Program Manager EpiVax, Inc.	Hands-On Demonstration of iVAX Web-based Vaccine Design Toolkit
15:00	Dr. Niranjan Sardesai COO Inovio Pharmaceuticals	DNA Vaccines: Update from the Clinic
15:50 <i>Break</i>		
16:15	Dr. DeGroot, Dr. Gowans, Dr. Honda, Dr. Leng, Dr. Mori, and Dr. Sardesai	Panel Discussion and Questions from Participants
17:00 <i>Close</i>
